

CHAMONIX Mont-Blanc 2.020

François-Xavier Laffin

- Business leader
- Active in local associations
- 52 years old, married, with 3 children

It's about renewed political commitment,
a vision, and a need to change the approach.

WHO ARE WE?

We come from different walks of life, representing the various communities of Chamonix. We aim to work with integrity and modesty to make the most of this pool of local talent.

The Municipal elections will take place in March 2020. You only have the chance to vote once every six years - please register **before February, 7th on the electoral list by going to the first floor of the Mairie. Don't hesitate to contact us if you need help with the process.**

**By working together we can develop & ensure
a better future for the Chamonix valley.**

We need you!

THE CHANGE

A participatory approach

- This change will create a collective **relationship** (between all the residents of the Valley) and provide a platform for **REAL PROGRESS**

You are the talent of Chamonix!

ENVIRONMENT & NATURE

Your priorities will guide our actions

- Organising and regulating the flow of tourists
- **Urgently** addressing pollution
- Learning from **innovations** elsewhere (city tolls, Green Brigade...)
- Anticipating **change**

Preserving our exceptional environment and achieving excellence!

HOUSING

We want to meet your expectations

- Ensuring **transparency** in Housing Allocation
- Developing the means for in-house management (maintenance, works, inspection, ...)
- Fulfilling the municipality's legal obligations: **Solidarity and Urban Renewal (SRU) Act and Access to Housing and Renovated Urban Planning (ALUR) Act.**
- Managing actions with **professionalism** (budget, deadlines, delivery...)

Enhancing the heritage of Chamonix by giving the priority to permanent residents.

**EFFECTIVE
day-to-day
management**

CHAMONIX S'ENGAGE COMMITS TO:

HEALTH

Facing future concerns

- Priority to be given to a **public authority-civil society health roundtable**
- Making every effort to regain control of our **residential care home for the elderly (EPHAD)**
- Encouraging scientific, sport, and medical research

Caring and protecting is our priority.

Chamonix S'engage !

VOCATIONAL TRAINING

A key objective for the Valley

- Providing vocational training to ensure people have the skills required by business and industry in the Valley (ski lifts/cable cars, catering, hotel industry, environmental-related activities)
- Connecting the education providers and the relevant industries
- Developing a Centre of Excellence for training in Alpine tourism related jobs in Chamonix

Achieving excellence in Chamonix through education.

SPORT, CULTURE & YOUTH

The pride of the Valley

- Valuing and encouraging the work of **associations** such as the Youth and Cultural Centre (MJC), The Sports Club (Club des Sports), twin town association, as well as sports and cultural associations
- Continuing support for the **sports loisir** project for local school children by restoring **subsidy** levels
- **Urgent** renovation of existing sports facilities
- Organising and ensuring financial support for elite athletes
- Ensuring coherence between the Valley's **identity** and its cultural and sporting events
- Restoring the **Olympic** rings of Chamonix

This is the cement that binds Chamonix' society.
